

Utah Flute Association Annual Competition 2019

Theme: Dance Music

The Utah Flute Association (UFA) is excited to announce the theme of 'Dance Music' for its annual competition in 2019. Dances from different musical time periods have been selected to provide variety and interest. This challenging repertoire will encourage self-improvement and growth in abilities and performance skills. Judges will make the final decisions regarding winners for each piece in every division. These flutists will be celebrated at a Winners' Recital.

Rules: This competition is open to UFA members. Participants may compete solely in their age division, a higher division, or a combination of both. They may select to perform one, two, or three pieces in their level, a higher division, or pieces open to everyone. Participants are not allowed to compete in a younger division. The Adult Amateur level is only open to adults 18+ who are not enrolled in school. The College/Post College division is open to everyone.

Competition Details and Registration: The competition will be held on Friday evening, February 22, 2019 at Westminster College (Jewett Center for Performing Arts). Accompanists will not be provided for the competition, so you must provide your own. Each flutist will perform for three judges. Repertoire will be provided for the judges, so there is no need to bring music for them. Memorization is not required, but is a nice touch for the recital. Winners will be announced the following day at the 2019 Flute Festival. Each flutist may enter up to three pieces. The application fee is as follows:

-For Primary and Novice divisions, 1 piece=\$10.00, 2 pieces=\$15.00, and 3 pieces= \$20.00.

-For all other divisions, 1 piece=\$15.00, 2 pieces=\$20.00, and 3 pieces=\$25.00.

The application will soon be posted on the website.

Registration Deadline is January 22, 2019.

Winners' Recital: The selected winners will perform at the Winners' Recital on the evening of Wednesday, March 6, 2019 at Riverton Music in Sandy. There will be a reception for the performers and audience members immediately following the recital. A mandatory rehearsal for the recital will occur at Riverton Music on the evening of Tuesday, March 5, 2019. A professional accompanist will be provided for the rehearsal and Winners' Recital. Performers need to wear appropriate formal recital attire.
